

BENTON COUNTY
FELONY SENTENCINGS FOR THE MONTH OF SEPT., OCT. & NOVEMBER, 2008

Sentences for felony-level crimes in Minnesota are determined by utilizing the Minnesota Sentencing Guidelines, which designate the appropriate length of prison sentences, or probationary sentences, based upon the severity of the crime and the offender's criminal history. In cases where guidelines call for a probationary sentence, specific conditions of probation are determined by a District Court Judge, after consideration of any plea agreements, the input of the victim, and the recommendations of the prosecutor, defense attorney, and a Department of Corrections' agent.

The information contained herein is in summary form only. Full details regarding criminal sentences can be found in written documents entitled "Criminal Judgment and Order for Commitment," which are available at the office of the Benton County Court Administrator, 615 Highway 23, Foley, MN.

While every effort has been made to ensure the accuracy of the summary data contained herein, Benton County disclaims any and all liability for damage of any type, specifically including consequential damages, incurred directly or indirectly, as a result of errors, omissions, inaccuracies or discrepancies.
