SEPTIC SYSTEMS LOW INTEREST LOANS AND GRANTS

Below are some opportunities for low interest loans to repair failing septic systems as well as other household improvements. Please note that these programs are not administered by the County and the contact information and availability could have changed since the creation of this list. In addition there maybe other low interest loan opportunities not reflected here.

- **Ag BMP Low Interest Loan Program**

This loan is administered by the Benton Soil & Water Conservation District. Please contact Katie Evans at (320) 968-5300 Ext 3. Information is also available at www.soilandwater.org/LowInterestLoan.html These low interest loans are only available to rural landowners.

- **Rural Housing Home Improvement Loans and Grants**

This loan is administered by the United States department of Agricultural. Please contact Jennifer Rydberg (763) 689-3354 Ext 4 Information is also available at <http://www.rurdev.usda.gov/mn/SFH/Repair.htm> This loan is designed for low interest home improvements for very low-income individuals (50% or less of County median income).

- **Home Improvement Loans and Rehabilitation Loan Program**

These loans are administered by the Minnesota Housing Finance Agency. Please contact Kathy Aaherud at (651) 297-3536 or go to www.mnhousing.gov/consumers/home-owners/HomeImprovementLoans/index.aspx

- **Home Repair Loan Program**

This Tri-County Action Program (TriCap). This loan is for very low income residents. Please contact them at (320) 255-0705 or additional information is at http://www.tricap.org/rehab_services.html
