NEWS RELEASE

June 8, 2018

CSAH 29 (1st Street NE Sartell) Road Closure

WEATHER DEPENDING; A Full Road Closure will be in place beginning 6:00 pm Thursday June 21st, on CSAH 29 (1st Street NE) in Sartell. The road will be closed between the bridge over the Mississippi River and Benton Drive. Benton Drive will remain open to northbound and southbound traffic. CSAH 29 east of Benton Drive will remain open for eastbound traffic. This closure is expected to remain in place through Tuesday June 26th.

A detour will be in place that utilizes MNTH 15 and Riverside Drive, see map below.

This closure is necessary to allow for the reconstruction of the roadway between the end of the bridge and Benton Drive. The space constraints do not allow for a safe roadway that protects the traveling public and the workers. The safest alternative is to close the roadway. For additional information please visit the project webpage at www.co.benton.mn.us/306/CSAH-29-Reconstruction
