

Visit Benton County Human Services at the County Fair!

Human Services staff from various units will be available in the Education Building at the Benton County Fair (August 2-7) to answer general questions from the community. Public Health staff will be available every day to talk about public health services and programs. Come and meet the tooth fairy at the Child and Teen Checkups table to learn about dental health and services or visit the Benton County Substance Use Prevention Coalition to learn about the harmful effects of substances. Other units will be available as follows:
