Car Seat Information and Checks

Did you know that 4 out of 5 car seats are used WRONG??

Find out if yours is one of them...Child Passenger Specialists can answer questions regarding child safety seats and can also check your car seats. At a check, seats are evaluated for: defects, recall listings, suitability for the age of the child, and fit with the safety belt system in the vehicle. If you want to get your child safety seats checked, just call the number above to set up an appointment at the Public Health office in Foley. Available to all Benton County residents.

Reduced-Cost Car Seats

- Are you expecting a baby?
- Is your infant growing out of the infant carrier seat?
- Is your toddler growing out of the convertible seat?
- Is your 4-8 year old too small to fit in your vehicle safety belts?

Attend a 90 minute class to purchase a new child safety seat and to receive instruction on proper use and installation.

Eligibility Requirements:

- ✓ Must be a Benton County resident.
- ✓ Income eligible families can purchase car seats at a reduced cost. Call to find out income guidelines (**families who are on WIC or children on Medical Assistance are automatically eligible**).
- ✓ UCare MN or MA Medica enrolled families may be eligible to receive a car seat at no cost.
