Car Seat Information and Checks

THE RIGHT SEAT. THE RIGHT SIZE. THE RIGHT USE.

Find out if yours is right...Child Passenger Safety Specialists can answer questions regarding child safety seats and check your car seats. At a check, seats are evaluated for: defects, recall listings, suitability for the age of the child, and fit with the safety belt system in the vehicle. To get your child safety seats checked, call the number above to set up an appointment at the Public Health office in Foley. Please allow 30 minutes for each seat to be checked. Available free to all Benton County residents.

Reduced-Cost Car Seats

- Are you expecting a baby?
- Is your infant growing out of the infant carrier seat?
- Is your toddler growing out of the convertible seat?
- Does your 4-8 year old need a booster?

Attend a **90 minute class** to purchase a new child safety seat and to receive instruction on proper use and installation.
