- 2008 Westwood Professional Services, Inc. found a spike with ribbon in the centerline of 95th Ave. NE in line with a fence to the west. We measured 2712.92 feet to the approximate NE corner and 2829.00 feet to the SE corner. These distances agree with 1915 County Surveyor distances and spike is accepted as marking the obliterated position for this corner. Coordinates obtained by GPS coincide with 2001 position.

NOTE: Corner will be excavated in the Spring of 2009 to look for oak stake set in 1915 to verify spikes position.
