STATEMENT OF EVIDENCE:

Records of the Benton County Hwy Dept indicate an iron pin in place at this location on 7/18/85, which marker was found in place on 12/26/95.

The pin conforms to well defined occupation lines consisting of road centerline north and south and fence line east.

After comparing measured distances to those of the G.L.O. I accepted the Hwy Dept pin as the best evidence of the original corner.
