Statement of Evidence:

EAST QUARTER CORNER, SECTION 12, T 37N, R 29W, 4TH P.M.

1. During the G.L.O. survey of 1849, Mr. Theodore Conkey, a U.S. Deputy Surveyor, set a wood post to mark said corner.
2. Benton County's old surveyor's books provided no information to locate said corner.
3. On September 4, 1992, Paul E. Wellen & Associates searched for said corner and found a 1" Iron at East-West fence line and center line intersection. We accepted this 1" Iron as evidence of said corner. On September 4, 1992, we set a Cast Iron Monument at intersection of fence line and center line of road. Also, we established new reference ties as indicated.
