1. During the G.L.O. survey of 1849, Mr. Theodore Conkey, a U.S. Deputy Surveyor, set a wood post to mark said corner.
2. Benton County's old surveyor's books provided no information to locate said corner.
3. On September 4, 1992, Paul E. Wellen & Associates searched for said corner at center line-center line of 105th street County Road #66, and found a railroad spike. We accepted this railroad spike as evidence of said corner, on September 4, 1992, we set a Cast Iron Monument in place of railroad spike and established new reference ties as indicated.
