2008 Westwood Professional Services, Inc. found a CIM in the centerline of 135th St. NE and occupation lines north and south. CIM is 16.80 feet east and 22.50 feet north of the lost position. An extensive search at the lost position did not turn up any evidence. The longstanding occupation lines north and south and the traveled road are evidence of section line location. The CIM is accepted as marking the obliterated position for this corner.
