Title: Land Surveyor Professional Engineer County Surveyor County Engineer

Statement of Evidence:

C212

The Northeast Corner of Section 21, Township 38 North, Range 30 West, Graham Township, 4th Principal Meridian, Benton County, Minnesota.

In 1852, Edwin James Jr. a wood post was set at this location and bearing trees were recorded.

10" Blk. Oak	N 74 1/2 E	30 links
10" Aspen	S 15 1/2 W	17 links

The County Surveyors records in Book 2, page 198 show in 1959 and 1963 that a granite monument is set with the following reference ties.

P.P.	SE	96.6
P.P.	SW	54.2

On July 18, 1989 David Regan found the ties to the stone monument at the intersection of the centerlines of County Road 12 (running east and west) and County Road 42 (running north and south). He placed a 1/2" iron pipe at the location using the existing ties and did not dig up the monument and filed a Certificate of Location (#195023).

In July 2001, Westwood Professional Services, Inc. found the 1/2" iron pipe-flush at the intersection of the centerlines.

In December 2001, Westwood Professional Services, Inc. found the 1/2" iron pipe lying over. We set a cast iron monument at the position that we located in July 2001. We also established new reference ties. This corner is considered established by obliterated method.

I hereby certify that this document was filed in the Reg. of Deeds office at _____ .M. on the _____ day of _____ A.D., 19 _____

Register of Deeds _____

By _____, Deputy

DOCUMENT NO. _____

Statement of Evidence:

The G.L.O. survey was done in September and October, 1852 by Edwin James.

The County Surveyors records in Book 2, page 186, shows a granite monument with ties and no date.

County records show ties to a granite stone in 1959 and 1963.

On 7/18/89. David P. Regan Land Surveying, Inc. found the 1959 and 1963 ties and set a ½" iron pipe over monument.
