DOCUMENT NO. _____

Statement of Evidence:

The North Quarter Corner of Section 1, Township 38, Range 28, 4th Principal Meridian, Benton County, Minnesota, was set under the Public Land Survey as a post with 2 bearing trees in 1849. No trace of post or bearing trees now exists.

A search by Benton County Highway personnel of available county survey records revealed no additional information on this corner.

In 1919, Nels Peterson, Morrison County Surveyor, resurveyed Lakin Township with concrete monuments.

On April 5, 1994, Comstock & Davis, Inc., while remonumenting section corners for the purpose of G.P.S. work for Benton County found a concrete monument with re-bar at the north quarter corner position of Section 1, Twp., 38, Rng. 28, Comstock & Davis, Inc. compared the location of the found concrete monument to the original US Government Survey and Nels Peterson records and found the position to be within reason. Comstock & Davis, Inc., accepted the found concrete monument as the position for the north quarter corner of Sec. 1. Refer to Job No. 945017.
