Statement of Evidence:

NORTHEAST CORNER, SECTION 35, T 37N, R 30W, 4TH P.M.

1. During the G.L.O. survey of 1852, Mr. Edwin James Jr., a U.S. Deputy Surveyor, set a wood post to mark said corner.
2. Benton County's old surveyor's books provided no information to locate said corner.
3. On September 2, 1992 Paul E. Wellen & Associates searched for said corner at intersection of County Road #4 and County Road #25 and found 3/4" solid pipe. We accepted Iron's pipe location as evidence of the location of said corner. On September 2, 1992, we set a Cast Iron Monument at center line-center line. Also, we established new reference ties as indicated.
