STATEMENT OF EVIDENCE:

No records were found to indicate use or remonumentation of this corner after its original placement by the U.S. Government Survey.

A search of the area failed to reveal any pre-existing monument. Lines of occupation are limited to the centerline of east-west road and brush and small trees to the north.

A one half inch iron pipe was placed using lost methods to determine its east-west position while holding the centerline of road as an accessory to its north-south position.
