Benton County, Minnesota

I hereby certify that this document was filed in this office at ___:___ M. on the ___ day of _____, 20__.

County Recorder _____

By _____, Deputy

DOCUMENT NO. _____

STATEMENT OF EVIDENCE:

No records were found to indicate use or remonumentation of this corner after its original placement by the U.S. Government Survey.

A "PK" nail was found at the intersection of centerline of north-south roadway and fence line east. A second fence line runs east and west from a point midway between this corner and the section corner to the north.

Using centerline and fences as accessories, the nail was accepted as the best evidence of the obliterated original corner. The nail was removed and replaced by a cast iron monument.
