Statement of Evidence:

NORTHEAST CORNER, SECTION 9, T 36N, R 30W, 4TH P.M.

1. During the G.L.O. survey of 1852, Mr. Edwin James Jr., a U.S. Deputy Surveyor, set a wood post to mark said corner.
2. Benton County's old surveyor's books provided no information to locate said corner.
3. On July 20, 1992, Paul E. Wellen & Associates searched for said corner and found a p.k. nail at center line of County Road #44 and North-South treeline. We accepted this as evidence of location for said corner. On July 20, 1992, we set a Cast Iron Monument in p.k. nails place. Also established new reference ties.
