- 1990 Paul Wellen, LS 10461, set a cast iron monument in the centerline of Benton County Road 57, opposite a fence line to the east. Notes show a distance of 2918.73 feet to the NE corner. Certificate of Location #201469.
- 2002 No resurvey information was found on this corner in the Benton County records.
- 2003 Westwood Professional Services, Inc. found a cast iron monument at the corner and located it using GPS. Measured 2918.71 feet to the NE corner and 2702.62 feet to the SE corner.

- 2008 The County Surveyor's Office searched and found a cast iron monument at the centerline of a north-south road (County Road No. 57), on line with an east fence line, and north of a west fence line. The position is 10.18 feet west of a straight line. The position gives distances to the NE Cor. and the SE Cor. of 2918.72 feet and 2702.70 feet, which agrees well with Wellen's 1990 report. Surrounding long standing occupation fits well. Surveyor accepts the CIM as best evidence of the obliterated corner and set a PK nail with a Benton County disk over the monument. Ties were updated and 2003 coordinates were verified.
