This corner is 12.88 chains west of the Northeast Corner of Section 36.

2002 No resurvey information was found on this corner in the Benton County records.

2010 Westwood Professional Services, Inc. performed a search of the area for the Meander Corner and its accessories, however neither was found. The corner position fell in the center of old County Road No. 2 which has been destroyed and relocated. The Meander Corner position was established as lost and an iron pipe capped #19552 was set 12.88 chains (850.08 feet) west of the Northeast Corner of Section 36. Reference ties were established
