Advertising for Bids for County Public Works/Highway Department Construction Projects

Whereas Minn. Statute § 331A.03 Subd. 3(b) and Minn. Statute § 331A.12 allows a county to use its web-site or recognized industry trade journals as a means to advertise to receive bids for construction projects. Let it be known that from this day forward that Benton County will use the Benton County website, <http://www.co.benton.mn.us/> as the alternative means to disseminate solicitations of bids, requests for information, and requests for proposals for transportation related construction and maintenance projects.
