

STUDENTS ABROAD

Don't miss out on voting because you're abroad! Have an absentee ballot emailed to you wherever you are in the world.

STEP 1: APPLY FOR A BALLOT

Apply for a ballot any time during the year at mnvotes.org. It is best to apply before you leave the country. You do not need to register to vote separately—your ballot application serves as a voter registration application.

WHAT IS MY VOTING RESIDENCE?

Some students are not sure whether to use their campus address or their parent's address as their voting residence. Vote from whichever you consider to be your home.

Voting rules are different in other states. If your voting residence is not in Minnesota, go to fvap.gov for voting instructions.

STEP 2: RECEIVE AND PRINT VOTING MATERIALS

Once your application is approved, you will be emailed your voting materials. Materials will be available starting September 21.

STEP 3: VOTE AND COMPLETE FORMS

Read your ballot instructions carefully! Your ballot will not count if you do not complete and return all forms.

STEP 4: MAIL BALLOT BACK BY DEADLINE

Your ballot will not count if it is received after Election Day, November 6. Return your ballot using mail, a package delivery service (such as FedEx or UPS) or the diplomatic pouch at a U.S. Embassy or Consulate. You cannot return your ballot by email or fax.

STEP 5: CONFIRM YOUR BALLOT WAS RECEIVED

All absentee ballots that are received on time and had the forms filled out correctly will be counted. Visit mnvotes.org to track the status of your ballot and confirm that it was received and counted.
